The Global Forum for Oil & Gas Science,
Technology, Economics & Management

Message of condolences from the President of WPC

We, as the World Petroleum Council, would like to express our deepest condolences on the horrific attack of June 28 on the international Ataturk Airport in Istanbul.

Our thoughts and prayers are with the victims and their families and we wish a speedy recovery to those injured.

We stand united with all our friends in Turkey and strongly condemn these atrocious acts of violence.

About the World Petroleum Council

The *World Petroleum Council* was established in 1933 and provides a forum for discussion of the issues facing the oil and gas industry worldwide. It is a non-advocacy, non-political organisation, dedicated to the application of scientific advances in the oil and gas industries, technology transfer and the sustainable use of the world's petroleum resources for the benefit of all. The WPC is registered as a charity in the UK. It's seventy member countries represent 96% of the world's oil and gas production and consumption.

The triennial World Petroleum Congress is the oil and gas industry's largest and most prestigious international event. Known as "the Olympics of the oil and gas sector", the 22nd World Petroleum Congress will be held in Istanbul, Turkey from 9-13 July 2017. www.22wpc.com
